TROUBADOUR**

Kendall Central School

Kendall, N. Y.

FOREWORD

The cover of this, the 1966 TROUBADOUR, is based on something very old—the Greek column. These columns remind us of an aristocracy, an empire which eventually fell, but whose support—the Greek column—still stands. In keeping with this column the members of the Yearbook Staff chose the American flag for the colored end sheets. To us, the flag symbolizes a young nation governed by a democracy whose symbol—Old Glory—will always wave: "... o'er the land of the free and the home of the brave."

DEDICATION

It is with pleasure that the Senior Class dedicates the 1966 TROUBADOUR to Mrs. Alta Mathers—faithful grade teacher for more than forty years. Many of us remember her quiet manner and firm hand as we passed her way in elementary school. From us, our heartfelt thanks. As we the Class of 1966 leave we wish you farewell.

The first meeting held by the Junior Class was devoted to electing class officers and various representatives. To the Student Council, the class elected: Dale Lemcke, Bette Marsielje, Daryl Hansen, and Linda Sorg. Junior Red Cross representatives are: Del Lown, Georgiana Dale and Bonita Blosenhauer.

The Juniors this year are working together to make enough money for their "Senior Trip" next year. They got a good start with their Junior Prom, "An Enchanted Evening" which was well attended.

On March 26 the annual Junior Fish Supper was held. It was also a success. Various other money-making projects were held, among these was a baked food sale.

All of the Juniors are looking forward to their Senior Year.

What the Sophomores did . . .

The members of the Sophomore Class elected representatives to various high school organizations. Student Council members for this year are: Steve Reamer, Martha Wilson, Ellen Vanderbilt, Barbara Holderfield, Molly Skellen, and Linda Pieper. To the Jr. Red Cross, the class elected Sally Way, Martha Wilson, and Barbara Homuth.

The class held a dance on May 13 and a movie on March 25. Both activities were well attended.

"Karen—did you type the copy with the pictures in it?"

The Yearbook Staff was especially busy this year putting together the largest Troubadour ever. Mr. Rowley was frequently seen popping in doorways and sneaking around corners with camera in hand. Special thanks to Miss Eldred who corrected our mistakes and provided us with an "office". Thanks also to the Seniors who helped with the typing and sales. Everyone worked hard, but had a lot of fun.

THE A.V. CLUB NOTES

The Audio Visual Club is a service organization of the school under the sponsorship of Mr. Richard Gross. The members are in charge of supplying to the teachers movie projectors, filmstrip projectors, opaque projectors, and all other A.V. equipment. The boys set up the items requested, operate them, and then return them to the A.V. room. Each year new members are instructed by Mr. Gross and the senior club members in the care and operation of A.V. equipment. The boys operate on a period schedule, two or more being on duty each period.

AMERICAN JUNIOR RED CROSS

Each year the Junior Red Cross manages a school supply store at Kendall. The proceeds from this store go to various sources. This year some of the money was used for candy favors which were given to patients in the Rembrandt Restorium at Christmas time. The money is also used to fill a chest with school supplies, such as notebooks, pencils and pens; sports equipment—basketballs, baseballs, and bats; and hygienic materials—soap, towels, and toothbrushes. This chest is then sent overseas to under-privileged children. Each year the club also gives several scholarships to graduating seniors.

The 1965-66 school year saw a new Student Council carry out many new activities for the students at Kendall. Sponsoring "The Valiant", under the direction of Mr. Wadhams, and setting up a Visitors Welcoming Station were the first actions taken by the Council. A Hootenanny in November, a dress-down day and record hop in April, and a fair in May were four successful activities introduced this year.

Vice President—Paulette DeWaele
Secretary—Kathy Kinsman

Advisor—Mrs. Tone

The Future Teachers Club, which organized six years ago at Kendall, has grown steadily each year. We have doubled our membership this year over last year. It is our purpose to encourage those high school students interested in teaching to join our club so they may gather information about teaching as a profession. To this end the club attended a Kendall Teachers Association meeting in January.

For social entertainment we held a Christmas Party and a spring picnic. Our plan to sponsor an assembly with an exchange student from Germany was thwarted by the big winter storm. We did however visit Brockport College where we learned many new facts about college entrance requirements.

CLUB ACTIVITIES

The Future Nurses Club is an organization which provides the School Nurse with student help wherever and whenever possible. The members are interested in nursing in some manner—some plan to enter nursing as a career, others plan to enter some work connected with nursing. By working in the club everyone has an opportunity to learn more about nursing as a career and serve the school at the same time.

This year two of our members, Carol Klafehn and Linda Kennedy, worked as Nurses Aids in a local hospital. Candi Wolf attended the Highland Hospital Open House. Our main project, in which the whole club participated, was the collection of money in the Kendall area for the Heart Fund.

The Kendall F.F.A. has led an active school year. The members attended a Horticultural Show where they participated in an apple-judging contest. Eugene Spangenburg won 3rd prize there in a demonstration contest. In January, the boys traveled to Barker for the annual Niagara-Orleans contest. There they participated in judging dairy cows, chickens, and vegetables. There was also a welding contest. A basketball game was held vs. the Barker F.F.A. which the Kendall team won. The F.F.A. team, incidentally, was undefeated throughout the basketball season.

NATIONAL HONOR SOCIETY

KENDALL CHAPTER

The National Honor Society meets once a month with our advisor Mr. Sanger. Our purpose is to foster scholarship in our own lives and in the student body. Members are chosen by the faculty on the basis of scholarship, service, leadership and character. New members are inducted each spring at a dinner meeting of the society. Students with an 85 average are accepted in a one year probationary period. If the scholarship level is maintained they may become permanent members. The Kendall Chapter of N.H.S. is affiliated with the regional, state, and national society.

LIBRARY CLUB

The Library Club is open to all students in grades 7-12. It is a non-profit organization whose aim is serving the student body. The Library Club members assist the librarian and aid in making library facilities accessible to the students. They work at the desk charging books and filing cards. They put books away and do other tasks that are necessary to a well-functioning library. The members work on a regular schedule during free periods. This year there are 15 members in the Club.

The new Elementary Library was opened in November of this year. It serves the children from kindergarten thru 6 grade, and is located in the elementary section of the school. Mrs. Elizabeth Hall is the library aid in the Elementary Library. Mrs. Rose DellaCosta is the High School aid. Mrs. Pauline Waring is the school Librarian.

BAND ACTIVITIES

Besides marching in the local parades, the band also competed at various other locations in the state. The band members traveled to Buffalo to the state V.F.W. parade and came home best appearing marching unit. Shortly after, they set out for Lockport and the sesquicentennial, returning with second place. At the end of the summer they returned from the state fair at Syracuse in ninth place. Forty-five band members attended the County Music Festival at Holley.

1965-66 CONCERT SEASON

The Glee Club and mixed chorus under the direction of Miss Osborne have participated in two major programs this year. In co-operation with the concert band a Christmas Concert was performed on December 15 and on May 20. The choruses participated in the Annual Spring Concert. Several members participated in the All County Chorus at Holley on March 11 and 12.

We feel that we have made a major step forward this season and are looking forward to greater participation and interest during the coming year.

The 1965-66 Soccer team ended the season with 2 wins and 2 losses in league games. One or two goals prevented 4 wins. Our losses were hard fought games, hinging on only 1 or 2 goals. We entered the sectionals against Red Creek, but lost 5-0. Everyone agrees that with the loss of only 2 men this year the team will enter the 1966 season in excellent shape.

GOLF

T. Rowland, D. Hansen, Mr. Corcoran, D. Hansen, J. Hendrickson, D. DeVault, M. DeVault, C. Kronson

Another sport was added to the calendar this year—Golf. Golf is an individual sport requiring a great amount of skill. Each member of the five man team plays a member of the opposing team for a total of two points. One point is for match, the number of holes won, and the other is for medal, the total number of strokes. Although the team didn't do well in its first year the future looks brighter.
